

Southwark Town Hall - Newsletter No 8 Theatre Peckham, Artist studios & Student Accommodation

30th October 2015

The reinforced concrete to the frame of new building is now complete.

The ground floor concrete slab to the new theatre has been poured.

Erection of the steel frame to the new build is scheduled for the beginning of November 2015.

We are starting to enclose both the new and existing structures with scaffolding and cladding.

Partitioning has been erected and Mechanical and Electrical works have commenced in the existing Town Hall.

On Thursday 15. 10.15 an event was held on site to mark the commencement of works. In attendance were the Mayor of Southwark, Dora Dixon-Fyle, councillors, representatives from the resident's association and local businesses, the client, design team and The Evening Standard.

Madam Mayor of Southwark, Dora Dixon-Fyle

We are recruiting for local labour and would welcome enquiries for Labourers, Traffic Marshalls and Crane Banksmen. We are also seeking to employ a Carpentry Apprentice.

We would require apprenticeship applicants to hold an NVQ / Diploma Level 1 in carpentry. If you are interested in any of these positions please email Kate Llewellyn at the site email address below.

The project is due for completion in August 2016.

Do not hesitate to contact us for any queries you may have relating to the site.

We thank you for your continuing patience while these works are carried out.

Bryan Haynes
