

Southwark Town Hall - Newsletter No 15 Theatre Peckham, Artist studios & Student Accommodation

11th March 2016

The job is progressing well.

The Pavilion structure has now been erected.

Over the course of the next month cladding in anodised curtain walling, with ceramic glazed panels will be fitted to add colour and texture.

The building is now water tight. We are commencing the final finishing work with decorating starting next week.

We expect the crane to be dismantled at the end of May.

Please accept our apologies for occasional noise caused by early starts. We have carried out tool box talks with contractors to remind everyone about the importance of keeping noise levels down.

We are seeking to recruit labourers and qualified Security Guards for an imminent start. If you are interested please contact the team on the email below.

We thank you for your ongoing patience while these works are carried out.
