WISHING TO ENHANCE THEIR SKILLS AND WOULD LIKE TO
BE INVOLVED IN THIS INSPIRING EVENT?**

**YOUR CHANCE TO EXHIBIT ALONGSIDE A WORLD RENOWNED PHOTOGRAPHER,
ORGANISED BY ONE OF THE UK'S PREMIER PHOTOGRAPHY FESTIVALS...**

"Being involved in the competition really gave me a confidence boost and also helped me develop my work in a professional way. Having my work displayed in the same room as many other great artists was really humbling and exciting!" - **Olie Howes, 2018 Runner Up**

"Being part of last year's exhibition was a thrill and it was uplifting to have your work validated by your peers. It was helpful to see the work displayed in a different way to that which I had intended it to be seen, and it still stand up in that other form. I enjoyed the talks that I attended, I found them informative and inspirational. I'll be attending again this year." - **Paul Cliff, 2018 Winner**

"Being a part of this competition pushed me out of my comfort zone, encouraging me to take on a theme in a way that I may not have attempted due to having little confidence in myself, however, I am so glad that I did as I have produced a new body of work that I love and am proud of. It is also such an honour to know that my photos were also exhibited at the same event as such amazing work by other extremely talented photographers and artists. I am really looking forward to the future regarding my photography work and Photo North has given me the push and platform to be able to take my work further." **Evie, Scarborough**
